#### **Art & Soul: EXPO Chicago at Navy Pier**

Get ready for a world-class cultural takeover as EXPO Chicago returns to Navy Pier's Festival Hall from April 9 to April 12, 2026! As one of the most prestigious events on the international art calendar, this year's 13th edition features over 170 prominent galleries from 36 countries. We are especially excited for the continued partnership with the Galleries Association of Korea, which brings a stunning collection of contemporary Korean works to the heart of the Midwest.

Beyond the gallery booths, you can fully immerse yourself in the creative spirit through a series of dynamic on-site installations, provocative artist talks, and unique public art initiatives like the "OVERRIDE" digital billboard project. Whether you're a seasoned collector or just looking for a weekend of inspiration, EXPO Chicago offers an unparalleled look at the global art scene right in our own backyard.

### **Green City, Great Life : Local Earth Day Events**

Celebrate Earth Day this month by connecting with the incredible natural spaces that make Chicago "The City in a Garden." Living at Marlowe Chicago puts you at the heart of the action, starting with the 41st annual citywide park cleanups hosted by the Chicago Park District and Friends of the Parks on **Saturday, April 18, 2026**—a perfect chance to roll up your sleeves and beautify our local green spaces. For those looking to add some movement to their environmentalism, the 5K for Earth Day returns to Humboldt Park on **Sunday, April 19**, following a day of community restoration and tree planting. You can also catch an inspiring screening of How to Power a City as part of the One Earth Film Festival on **April 24**, or simply enjoy a low-impact afternoon biking the Lakefront Trail to soak in the skyline views.

## **Pet Of The Month**

## MOOSE

### Meet Our Pet of the Month: Moose!

Marlowe Chicago has a new local celebrity, and he's as sweet as they come! Rescued from CACC, Moose is living his absolute best life here in the city. If you see this handsome guy around the building, there's a good chance he's on his way to his favorite daily tradition: stopping by the front desk for a very important visit with Ms. Sharon after his walk!

Moose is a true Chicagoan through and through—he's a dedicated Bears fan (Bear Down, Moose!) and has a unique soft spot for his favorite animal, the fish. Want to be his new best friend? He's more than happy to accept the position in exchange for a few pets and a tasty treat.

Next time you see Moose in the lobby, be sure to say hello to our favorite four-legged neighbor!
