Moments That Made Our Year!

Where 2025 Brought Us Together

A look back at the moments that brought us together.

From honey-harvest breakfasts on the go and community yoga classes to pool parties, summer celebrations, St. Patrick's Day, Halloween, and our most recent Christmas party, each gathering added another layer to what makes this community feel so alive.

What truly makes Marlowe Chicago special is the people. Residents who show up authentically, bring their vibrant personalities, and share their energy in ways that create real connection. Thank you for making these moments meaningful and for helping turn everyday experiences into lasting memories.

Live Well

Elevated New Year Intentions

This January, we're taking your wellness routine to new heights—literally. 360 CHICAGO (at the former John Hancock Center) is hosting its January Fitness Series, offering yoga, Pilates, and even high-energy dance classes 94 stories above the Magnificent Mile. Moving your body while looking out over the frozen lake and the city skyline offers a unique perspective that's perfect for setting 2026 intentions.

Your Wellness Mission:

Move with a View: Book a "Sky-High Yoga" session to stretch out the winter stiffness.

Winter Hydration: The cold air is incredibly drying; commit to an extra 16oz of water daily to keep your skin and energy levels "Marlowe-ready."

Sunday Zen: If you can't make it to the clouds, spend a quiet Sunday at the Newberry Library's reading rooms for some "Analog Calm."

New Year, New You!

Pet Of The Month

Sweet Hana!

January Pet of the Month: Miss Hana!

Get ready to have your hearts melted because we're kicking off 2026 with the most lovable and wonderfully "crazy" canine, Miss Hana! This enchanting 13-year-old long-haired Dachshund-Chihuahua mix is a pint-sized package of pure joy and big energy—even without a single tooth! You'll often spot her iconic little tongue adorably peeking out, adding to her irresistible charm. Hana absolutely adores her daily strolls along the frozen Lake Michigan, taking in all the big city sights from her favorite window perch, or even joining her humans on an adventurous hike from the comfort of her very own backpack! She's living proof that big personality comes in the smallest, sweetest packages. We couldn't imagine a better, more heartwarming start to the new year than celebrating Marlowe's very own, very best girl, Hana!
