Local Feature

Chicago Air and Water Show

Get ready for one of Chicago's absolute favorite summer traditions! The Chicago Air and Water Show is back to light up the lakefront skyline this August with high-flying jet demonstrations, spectacular aerial acrobatics, and thrilling water maneuvers. Located at North Avenue Beach—just 2 miles from The Marlowe (a quick 8 to 10-minute drive or scenic bike ride straight up the lakefront path!)—it's the ultimate way to soak up the sun and experience peak Chicago summer energy. The action runs Saturday, August 15th, and Sunday, August 16th, from 10:30 AM to 3:00 PM daily, with the full practice rehearsal happening on Friday, August 14th. Grab your sunglasses, pack a blanket, and head to the beach for an unforgettable weekend—or skip the crowds altogether and catch incredible views of the jets zooming past right from our very own rooftop deck!

Pet Of The Month

Bruce

Marlowe's Pet of the Month: Meet Bruce!

Meet Bruce! He is a silly, high-energy 2-year-old Mini Australian Shepherd. If you happen to look at our patio, there's a 99% chance you'll see us there throwing a ball for him.

When he isn't chasing a ball (which is rare), you can find him getting a pup cup, hanging out on the patio at Clark Street, or intensely staring at you in the building elevator.

Bruce is a firm believer that a hard day's work deserves a reward, which he prefers in the form of cheese or wrestling with a toy that is comically too big for him.

Bruce loves living here and can't wait to make more friends in the building, just be prepared for the elevator stare!
